

I would like to add myself to those who applaud the Do Not Call list. Before I signed up for this program, I received more than 20 calls a day. I still get at least 5 calls a day, often during dinner time, and even on Sundays early in the morning. I do not feel they have the right to bother me any time they feel like it. If I was interested in their products, I would find a way to purchase them on my own. Please do not get rid of this law. It is the only think that keeps me from ripping my phone out of the wall!!!!!!
